Term 1 – Issue 6 10.10.25

Digital Leaders

On Monday, a group of Year 5 children were invited to attend some training at Hernhill school focused on Digital Leadership. They thoroughly enjoyed their day and came back full of ideas about how this could look at Luddenham. We've met and they have plans for assemblies, workshops, competitions and quizzes so watch this space! Also look out for information they would like to share with you parents/carers also.

Thank you to Miss Culver and the team at Hernhill for making this happen for our children and certainly igniting a spark into this group of children who are ready to take action.

Harvest Celebrations

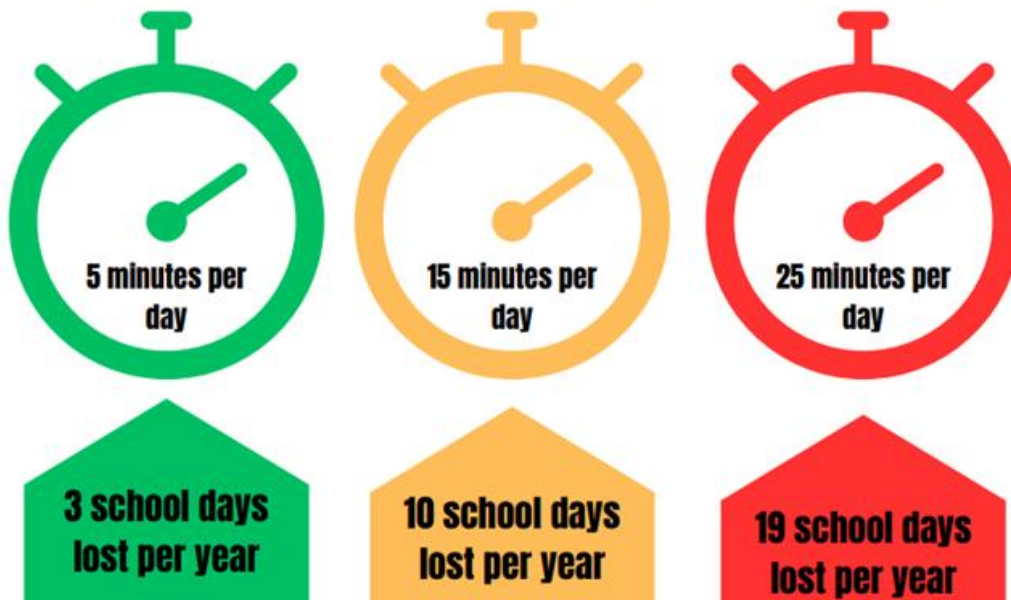

Well done to Years 1 and 2 for putting on a fabulous performance for parents and the school community. Also, a huge thank you for everyone's donations which will be collected and distributed to people within our community via the Faversham Foodbank.

Lates

We have noticed a large number of children arriving late. So far this term, we have had **72 lates** which have totalled **851 minutes** of lost learning time. We know sometimes they are unavoidable and there are some road works in the area, so please allow extra time. It really unsettles children when arriving late so we would really appreciate your support in improving this.

EVERYDAY MINUTE COUNTS
