Young Voices

On Monday, some children from year groups across KS2 had an unforgettable experience at Young Voices at the O2, and what an incredible day it was! Young Voices is the largest children's choir in the world, bringing together thousands of young singers from across the country to perform as one spectacular choir in a world-class arena. The children had an amazing time singing their hearts out, dancing along to the music, and being part of such an exciting, high-energy performance alongside professional musicians. In the lead-up to the event, these children have been attending a lunchtime club over the past two and a half terms, where they worked hard to practise the songs and learn the accompanying dance moves. Their dedication truly paid off, making the day even more special and memorable. 🎵 🎶

Uniform reminders

Just to say, the vast majority of children look smart and well presented thank you, but we have some children who need to:

- Make sure they have the right P.E. Kit. This should be plain t-shirt please (house colour or white) and plain navy/black bottoms.
- Make sure hair that reaches the shoulders is tied up please.

Opal presentation

Today, Grainne Pickles, our Opal Mentor paid us a visit to present us with our Opal Platinum Certificate and plaque. She explained to the children how very few schools achieve this level of award, demonstrating that our play times are excellent. We're very proud of our Opal Play Team for all their hard work in contributing to this achievement. To our children who have embraced this change and to you parents who have supported and donated in so many ways to make our playtime ace!

Thank you so much to all involved. You'll be pleased to know that this does not stop us reviewing and improving our playtime. We currently have plans to develop the garden area further, plus lots more!

Keep a look out for the banner that will be coming soon to let everyone know. we're an Opal Platinum School!
