World poetry day

On Monday, the school celebrated World Poetry Day with a range of exciting poetry activities in class. The children enjoyed writing their own poems, learning new ones, and performing them through drama and expression. They also had a special visit from another class teacher, who came to share their favourite poem. The children thoroughly enjoyed listening and engaging with the performance, making it a memorable and enriching experience for all.

Zoolab

Year R had a visit from Zoolab this week to support their learning about animals. The children had a wonderful opportunity to handle and observe a variety of animals, as well as learn interesting facts about them. After the visit, we discussed our favourite animals, and many of the children chose the snake! They were fascinated to learn new facts, including snakes can smell using their tongues and that snails can have up to 10,000 teeth. It was an engaging and memorable experience for everyone involved.

The Kindness Crew

This week I introduced the children to the Kindness Crew. A set of characters which many of our child will relate to. The story explore how it is important to recognise that our differences could be our strengths and if we focus on that then as a team, we could achieve great things. They gave us 3 rules to try to follow which fit really well with our Luddenham Values and Expectations.

The Kindness Crew Rules

Ask, don't guess!

"...because everyone is different"

The Kindness Crew Rules

Respect is the rule!

"We treat everyone the way we want to be treated... How we speak. How we act."

The Kindness Crew Rules

Be curious and kind!

"Because kindness starts with noticing"

Mira
I don't think I have a difference on the inside... but I've learned that being a good friend can help lots of people.

Zippa
My brain is pop pop pop all day long! It can be a lot – but it means I've got loads of ideas to share!

Lumiri
I don't see everything clearly... but I see kindness so brightly.

Whispa
Face me when you speak – it really helps me listen with my eyes.

Typpo
The words wiggle and dance across the page – but I never give up, and I find my own way through.

Snark
I struggled to understand the others, and used to roll my eyes. Now I roll up my sleeves to help.

Melo
Sometimes I get a storm of feelings inside. But that means I care deeply... and I'm learning to breathe through it.

Trillo
Noises and crowds can feel too loud for me. But when it's calm, I notice things others might miss.
