Website down/Communication via Studybugs

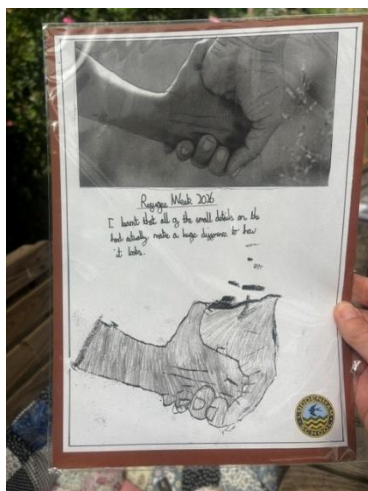

Just a reminder that our website had been changed to a new format. We have experienced some migration issues which we are trying to resolve. We are using the Studybugs platform to send emails and information so please keep a look out there. We know many of you are in a class WhatsApp group so if you spot something that could be shared in there also then please do as we do not access them as a school. However, if you do need to check anything then it's always best to give us a call or send the office an email and we'll happily clarify anything.

We thank you for your patience, while we sort this out. We're just as frustrated as you are to using another way.

Refugee Week 15th -21st June

This week is refugee week and the children have had an assembly to learn what a refugee is and why they may become one. The theme of this week is Courage.

Year R and Year 6 also contributed to a local display of art work which we hope will provoke thought and reflection on what can be a very traumatic experience for children and families all over the world. We are very grateful to Steph Guthrie who volunteered her time to support the children with this project. Please see below some of the artwork created by our children which was displayed at the Abbey Physic Community Garden on 13th June.

Sports Day Thursday 25th June - a reminder of timings

Year R, 1 and 2 parents arrive at **9.45am** (allowing you time to drop off in car queue and go and park your car away from school and walk in.

Year 3, 4, 5 and 6 parents arrive at **12.00pm** for the picnic (everyone picnics on the field/playground)

Year R, 1 and 2 parents leave at **12.45pm** (unless they have a child in Years 3, 4, 5 and 6)

All children stay at school

Those who cannot make the picnic arrive at 12.45pm please for a **1.00pm** start for Years 3, 4, 5 and 6

Aiming for a 3.00pm finish.

Normal Car queue for all children at school at 3.30pm

Reminder – If you child requires a school packed lunch, please ensure you have ordered by Thursday 18th June. There will be no hot dinners on the day. If you have booked a hot meal, it will be cancelled.

PLEASE REMEMBER TO PARK AWAY FROM SCHOOL AND WALK

Make Time for Music

We had a fabulous assembly on Wednesday by James at Make Time for Music and one of our pupils who inspired the children with a variety of musical instruments that they could learn to play. We had name that tune! Some favourites in there and an opportunity for some of our children to play an instrument and perform as a band with no practice! They were fantastic.

You will have received a leaflet (opposite) by email outlining what lessons they provide. Please follow the links, if your child is interested.

Please do not Bring in...

We have had a number of children being in hand sanitizer as key rings. These have the danger and flammable symbols on the back so please can they not come into school.

We've also had other spray bottles, such as perfumes and deodorants coming in. Again, not needed in school, except deodorant for after swimming only please for the older children.

Many children are sharing these items. Whilst we encourage that 'sharing is caring' for certain items such as these and food stuffs, we do not encourage sharing due to allergies in school. Thank you for your support in this matter.

Superstar Corner

Let us celebrate together your achievements outside of school this past week. Don't forget to send in your photos.

Well done on getting a gold medal for her skills in gymnastics, including high bar tucks, star jumps on the beam and rope swing!

Well done on participating in the summer piano recital, you played beautifully.

For your performance in Finding Nemo Junior at the Gulbenkian Theatre where you played a moonfish, sea creature and sea turtle! Amazing!

Well done for playing with amazing confidence and a steady rhythm at your piano recital at the Alexander Centre.

Congratulations on being invested into Beavers. Your parents are very proud of how you are taking on new challenges, and so are we.

Well done to you both for climbing your first Wainwright - Castle Crag. You did it with determination and positivity and enjoyed it too.

Congratulations on passing your SHO 2 grading. You can now wear your orange tab.

LSFA News

Pre-Loved Uniform Donations 🧥

As we near the end of the school year, we'd like to remind everyone that the LSFA gratefully accepts donations of good-quality used school uniform.

If your child has outgrown any uniform items that are still in good condition, please consider donating them rather than throwing them away.

Donations can be placed in the blue bin by the school gates. All donations are then sorted, washed and stored ready to be sold through our pre-loved uniform shop.

Not only does this help raise valuable funds for the school, but it also provides parents with a more affordable option when purchasing uniform.

Please note: The pre-loved uniform shop will be CLOSED next week. Any messages regarding uniform will not be responded to until we return after the INSET days on **30th June**. We hope to have an updated stock list available when we return.

END OF TERM

Many of you may not be into football, but when there's a chance to watch our nation at any sport it can be a great time to get people together and enjoy making memories.

All we ask is that you are mindful that these potential late nights do not interfere with attending school on time. Thank you and have a great weekend.
